Jun 18, 2021 When it comes to people using cheats to make more money, I find it to be really over the top to a point that I am downright angry. However, seeing as how the D2R MapHack came with all that nice features such as creating an account and stuff, and D2R was intended to have a paid version that would support addons, I can understand a lot of people wanting to hack the game to make some extra money. If you look through the comments, you will see a lot of people responding with the quote: "You don't understand. I'm such a good person but now, I have to cheat. It's not a choice but I have to cheat right now. " Oct 11, 2021 I hate how people just pay for maphack because, just so many people use it. I hate it. It's not fair and it's cheating the people that keep up with the game. I'm sorry but your just a thief, thief of quality games. GitHub - OneXDeveloper/MapAssist: D2R MapHack.
